PRESIDENT'S MESSAGE

I guess this is my canary song as president and newsletter editor. Most people would call it their swan song but a canary's song is much sweeter and gentler on the ears.

In my humble opinion, as a club have made a lot of progress the past couple of years. We have several new members who have been very active and interested in making sure the club continues. Financially, we aren't skating on thin ice thanks to all of those members that sent in their checks or made other donations. We are one of only two clubs north of Los Angeles that continue to hold an annual show. Last month saw a successful fifty-third consecutive show put on by this club. That's terrific!

I would like to express my appreciation to the other officers who gave of their time and energies and made my term so much more pleasant: **John Astorino**, Vice President, **Bob Gomes**, Treasurer, **Art Pacheco** and **Pam Montessero**, Members at Large.

A special thanks to **Benny Jones** for all of his efforts as show manager and putting on a show that we all can be proud of. This view is shared by others as you will notice when you read the letter from KJ and Linda Brown later in this newsletter.

The show provided us the opportunity to display what we are all about. In the process, we proved to be attractive enough to gain seven new members. We welcome them to our ranks and hope they will become active participants in club activities and help to insure continued operation out into the future.

CORNER

NEWS
AND
MORE

I just wanted to report that the positive enthusiasm of this year's show was extremely gratifying. We received so many good comments. People liked the raffle(I don't even remember when we had the last one), the noontime auction, the quality of the national caliber judges, the relaxed efficiency of the show day's pace, the helpfulness of the staff, the excellent location of the show, the quality of the banquet for such a reasonable price, etc. I **REALLY** want to thank all the people and spouses who helped make this show a success. Our total entries were down around 50 birds yet I feel we have a real strong base for another show next year. I'm already getting ideas for judges for next year. When I have a chance to look at our expenses and revenue, I'll talk about this at the next meeting. Thanks again for your donations, smiles, and hard work. I think it really paid off!

Yours in the Fancy.
