

Meeting this Sunday!!!

Central California Cage Bird Club

Volume 9 Newsletter Date SEP 2011

CCCBC Established in 1933

Bird Show/Bird Mart Meeting

September's meeting will be focused on ironing out the final details for the Show/Mart. We will be making a decision on what to do with the banquet. We have one caterer in mind, who does a BBQ and some suggestions for making it simple and just feed everyone ourselves, or keeping it at the SOS club. All officers and people working the show and mart should try to attend.

Our Modesto Bee ad will start tomorrow and run for 10 days, recruiting breeders, novice show entrants and vendors. The second ad will run for 7 days, ending on Saturday 10/29 inviting the public and any last minute sellers.

We will be finalizing committees and getting all our equipment together. We'll need people to help unload vendors and show people and load back up Saturday.

If you want to help with the show, or just know what's happening, please come to the meeting.

Terese Davis, Editor

OCTOBER is almost upon us! We're busy finalizing the details of the Bird Show and Bird Mart. Darrell Brewer, our Show Manager has the judges in place and he and Jimmy Carter are working on the Show Catalog. Terese Davis, our Bird Mart Manager is running our first ad in the Modesto Bee looking for vendors, and the 2nd ad will be 7 days up til show day, October 29th to get the public and any last minute sellers.

Meeting this Sunday! Newsletter is late...

RAFFLE, RAFFLE, RAFFLE

We will be having our regular raffle at the meeting on Sunday, so bring something if you can. Also, food of course!

It's also time to start gathering things for our HUGE raffle in October at the Bird Show. You can bring in those items to the September meeting so they'll be ready for the show or just bring to the show.. We'll be having our usual spectacular, best ever raffle and a silent auction. The vendors have also been making nice donations to the raffle table.

So check the closets and the house for things you'd like to pass on. Our club has the most interesting raffles of any of the bird marts I've ever attended. Let's make it another fun, exciting year. The raffle adds so much to the entire show and mart and everyone enjoys it. Charlene Stoller is running the silent auction and Jennifer Hayes and Janna Place are doing the raffle table. Other members will be selling tickets and helping out, as well. Volunteers needed, even if you just do an hour.

Please, donate something that you've enjoyed and would like to pass on.

In Loving Memory
Aurel May Obradovis
1940-2011

It is with great sadness that I report the passing of Aurel May, She was a great friend to the club, a loyal worker and was loved by all. She suffered ill health for the past year or more and still came to most of the meetings and enjoyed her friends at the club.

Alex came to the last meeting just to let us know. He has requested absolutely no contact for the time being. "It's too hurtful". So, let's honor his wishes and not send any cards or make any calls. "Was best friend for 25 years" he said.

We will all miss Aurel, but none more than Alex. Our thoughts and prayers are with him and the family.

Janna

Hello Everyone!

With great pleasure I am pleased to announce our great list of Judges for the 2011 bird club show.

American Singers:	Ron Moy
Type I :	Charles Long
Type II:	Jim Pickel
Color bred:	David Benites
Finches:	Julie Duimstra
Kitchen Canary	Charles Long

I think this is a fantastic lineup! We are doing something a little different this year. First we are having two judges for the Type Divisions .

Second, instead of having the banquet at the SOS club, we are moving that part of the show to the Club meeting hall (witch is just a few blocks away) and have a home cooked dinner.

Ted's wife has graciously offered to cook the meal! We need volunteers to assist her. We also need volunteers to secretary, steward, man the main desk. To the fancy, Darrell

Darrell Brewer
Show Manager

August 21st, 2011 Meeting Minutes

Twenty people were in attendance at this August Fundraiser. There was no formal business meeting held although a few important items were mentioned:

1. Ted told us the names of the judges for the show.
2. The September meeting will be all about the October bird show.
3. Janna submitted the idea of adding a coffee mug, calendar, or such to the new member packets.
- 4 The Sonora Bird Mart is on September 3rd. Our club will have a table available for any of our members who wish to sell birds.

Many items were available for sale at this fundraising meeting. Members brought birds, plants, food items, and related bird items as well as other things. Many things were bought and sold and all profits went to our club.

Thanks so much to everyone who participated!!

“Kitchen Canary” Class at October 29th 2011 Show

We will have a special class for those wonderful birds, who may not be of known parentage, or in some other way, not eligible for entry in to the show. This will be a casual judging, based on the condition of the bird and how it presents itself in the cage. There will be few rules and regulations and this promises to be fun for all who participate.

Rules:

1. Any canary, any size, color, age or gender will be eligible.
2. Cage size will be less than 24” wide, tall or long. So any cage with no measurement greater than 24” will work.
3. The main criteria for judging the birds in this class will be **condition/health**
4. Second criteria will be how the bird shows or presents itself.
5. Cleanliness and suitability of the cage will be considered.
6. Seed and fresh water must be available in the cage
7. Entry fee is \$3.00 per bird

Special awards to the top 5 birds

Now is your chance to show off that special bird and have a fun day at the bird show!

For more info or questions, please contact Bird Show Manager, Darrell Brewer at 510-527-1788 or email at gloster-man@live.com

For more info or questions on the Bird Mart, contact Bird Mart Manager, Terese Davis at 209-869-5066 or email at tmac-d869@sbcglobal.net

You do not have to be a member to either show a bird or sell at the Bird Mart.

Two male European Starlings have been brought to the Wildlife Rescue center. These are not wild in the United States. These are pet cage birds. They even talk! The birds will be available for adoption to someone who can care for them properly. They are not particularly hard to keep, but different from the kind of birds most of us are used to. They cannot stay at the Wildlife Rescue because they're not wild and can't be released into the wild. A little smaller than a crow, they have glossy feathers with iridescent purple, blue and green and are called the “poor man's Myna” for their mimicking of sounds. They eat insects and almost anything else...seed, weeds, fruit, etc. and they have their own cage. For more information call Janna at 209 862 3792.

To all members and contacts:
I am looking for the use (buy-sell-borrow) of a working reel-to-reel tape player to use to play an OLD recording in hopes of converting to CD somehow
The tape is of my brother when he was in Viet Nam. I think I was 5-6 when he was there. I remember the family would gather around the tape player and listen to his voice telling us stories of how he and his guys were doing and how the fighting was going and hearing the mortars exploding in the background. I just hate to lose that lasting memory of him from then.
Please contact me if you have or know of one.
